

Auditorium (Dodda Appappa Sabha mantapa):

The oldest among the venues to conduct programmes in, the auditorium of our college has over the years played host to so many seminars, symposiums and cultural activities. This double tiered hall which has a warm, old world ambience but is nevertheless equipped with the latest technology is still the perfect venue for any college gathering.

Seminar Hall (Room No 47):

Equipped with an inbuilt audio-visual system, the fully air conditioned seminar hall has a seating capacity of 100. These make it an ideal place to conduct meetings and workshops, make presentations and screen movies for students.

Conference Hall (Room No50):

The recently constructed conference hall is a beautiful, value addition to the college infrastructure. The fully air-conditioned hall with the latest of audio-visual facilities has a seating capacity of nearly 200. These make it the ideal venue with the perfect ambience for conducting national and internal conferences.

The open-air stage would be the best place from which to address the entire college. Needless to say the College day and other such important events take place here. The open-air stage provides a welcome change from the other stages located within the four walls of the college.
