POOJYA DODDAPPA APPA

Founder President

Sharanabasaveshwar Vidya Vardhak Sangha

"Vidya Bhandari"

Poojya Dr. Sharnbaswappa Appaji

8th Mahadasoha Peetadhipati

President, Sharanabasaveshwara Vidya Vardhak Sangha
Chancellor, Sharnbasva University, Kalaburagi

From the Desk of the President...

The child who is full of innocence, untouched and uncontaminated by the evil of egoism is considered to be sparking divinity. The teacher should consider teaching a child as a selfless and dedicated service to divinity. This act of giving spiritual, intellectual and moral enlightenment to the innocent is an offering a flower of knowledge to god and is essence of Dasoha.

The students, the parents, Faculty, Administrative staff and all those who are associated with the Sharanabasaveshwar Vidya Vardhak Sangha live where the great saint Sharanabasaveshwara lived. They learn where the great saint left the legacy on Dasoha Philosophy.

Poojya Dr. Sharnbaswappa Appaji

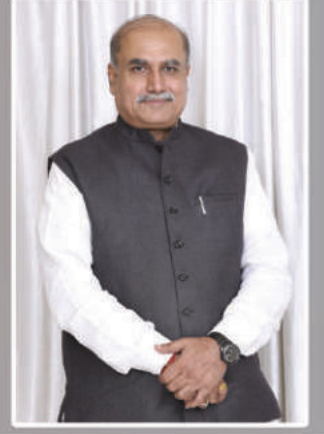

Mathosree Dr. Dakshayini S. Appa

the heir apparent
9th Bhaavi Peethadhipati, Sharnbasveshwar Samsthan
Kalaburagi

From the Desk of the Principal...

In our College, students will be challenged like never before in their life - both academically and socially, in the end, they will surely ask for more. The B.Sc. academic programme will provide students with a specialized grounding in the basic science and different dimensions of their fields of study, as well as an in depth understanding of Physics, chemistry, Botany, Zoology, Mathematics and Computer Science. By working together with community of students, academic assistants, faculty and staff members from all corners of the northern Karnataka and beyond, students benefit from a wide range of teaching methods and from challenging teamwork. The three year programme is taught in English. To be awarded the Bachelor's degree, students must face written and practical examinations at the end of each semester in addition to three internal tests. Expressing about the college many students keep saying "we went to the College to search for answers, and we found a family and a way of understanding the world"

A UNIQUE INSTITUTION

It is an institute where students come from different colleges could study and live together in preparation for careers related to science. Our college offers education beyond frontiers. Ever since its foundation at the very start of it, our College has had the mission to make well selected graduate students understand the basics of science in all its dimensions. We simply do not teach for teaching sake, but to prepare them for leadership functions requiring a strategic understanding of scientific issues. The College fulfills this function by constantly adopting its programmes (also keeping in mind the university guidelines) and the composition of its teaching faculty to modern developments, and by providing them with a very special and intense experience of living and working together in social and multi-cultural context. If you wish to understand Karnataka, live it and prepare for a career transcending state borders then the Sharnbasveshwar College of Science should be your choice.

We at our college strive to respect the unique individuality of each student, give him/her the right kind of help. We believe that a student will be successful in life if we accept him/her as they are and inspire them to become what they want to become. They want to be liked, appreciated and to be respected their individuality.

We give lot of importance to make discipline a core value, encourage students to develop a sense of responsibility through a well planned academic schedule, The college has a well-planned curriculum so that co-curricular activities also are given due importance. The college brochure gives all the important information on college like the routine, rules and regulation, uniform, test schedules, holidays, co-curricular activities and feedback from teachers. The parents should ensure that their ward is actively involved in all activities. Finally I want to assure you that the Management and our team of experienced teachers are doing their best to give the students the required edge to make his/her mark in this global world.

SHANGHA AT A GLANCE

The Sharanabasaveshwar Vidya Vardhak Sangh was established in 1903 by the 7th Peetadhipati, made a humble and noble beginning with its first school housed in Dasoha mahamane, then on-wards it has never looked back and has grown into and bounds up to its own University. the Institution its self dedicating to the pursuit of service and excellence, has grown into a gigantic Educational Center, having 77 institutions imparting knowledge in the different fields of Arts, Science, Commerce, management, Engineering and Technical and professional Education, a total of 30 thousand studentd from K.G to P.G are being benefited from this institution. We are proud to say that our Samsthan has established First private University, named as Sharnbasva university, in the year 20117 in this part of the country.

THE COLLEGE THROUGH THE HISTORY

Shranbasveshwar college of science was started under the patronage and blessings of Lingaikya Poojya Doddappa Appa, the 7th Peetadhipati and the founder President of Sharanabasaveshwar Vidya Vardhak Sangha, Kalburagi in the year 1956. The Sharnbasveshwar college of science is permanently affiliated to Gulbarga University, Kalaburagi and comes under 2(f) and 12(b) as per UGC norms. This institution is one of the earliest science college in this region. It has become one of the prestigious institution as there has been a reliable infrastructure development with both men and material aiming and imparting quality education. It also aims to educate the students with positive thinking and to develop Dasoha culture, scientific temper, human values, life skills and academic excellence to compete with the challenging world the students live in.

This institution is located on a hillock covering an area of about 4 acres. The college is housed in a big and spacious building, situated in a large beautiful campus on a hillock. It has a picturesque landscape with beautiful greenery in its surrounding. Ours is the first college in Gulbarga University to get certified from National Assessment and Accreditation Council (NAAC). Every year our college students come out with University records by getting distinction and ranks..
