National Webinar on Diversity of Amphibians of Karnataka

The Dept.of Zoology ,Sharanbasveshwar College of Science,Kalaburagi organized webinar on diversity of amphibians in Karnataka on the occasion of International biological diversity day.

We had invited resource persons from various institutes of Karnataka. Resource persons are specialized in the field of ecology, behavior, and diversity of amphibians.

The very first address on biological diversity was given by **Mrs.Vaanathi, DCF Kalaburagi**.As a keynote speaker she spoke about diversity of Karnataka & India. She also focused on threats to biodiversity & how we can conserve biodiversity & wildlife.

Session 1

The very first session was on “ Amphibians of Western Ghats diversity & their behavior “by **Dr. Vineeth Kumar .K. Batrcologist from Mangaluru**.

He emphasised on Diversity & behavior of frogs. He also spoke on importance of frogs in environment ,frogs are biological indicators. He focus on his research that is acoustic behavior of frogs. The whole session was very interactive and students got knowledge about frogs.

Session 2

The second session was given by **Dr. K.V.Gururaja** on” Behavioural Ecological Research in Amphibians of The Western Ghats” .

Dr. Gururaja is a Batracologist.He has done his Postdoc from Center for Ecological Science , IISc.From last 20 years sir is working on frogs diversity, behavior, ecology.

In this session he mainly emphasised on behavioral aspects of frogs, their feeding habit, courtship behavior & ecology of frogs. He also focused on frogs importance in environment & threats to frogs. He also suggested to students to undertake research on frogs.
